

With support from the Center for Educational Exchange with Vietnam (CEEVN), IFP Alumni worked with social workers, teachers, researchers around the country to organize a *Workshop on Asset-based, Community Driven Development and Widened Participation (ABCD)*, at *La Thanh Hotel, in Hanoi*

,
from April 26 to April 28, 2008.

1. The workshop Objectives:

The workshop is designed to provide an opportunity for the Vietnam IFP-Alumni who have studied and practiced ABCD to exchange of information and coordination among IFP-Alumni members and other young social workers; advocate and promote an enabling environment for effective people's participation in the development and poverty reduction process of Vietnam as well as to facilitate dialogue and improved understanding of people's participation experiences and lessons learned among different stakeholders (International organizations, civil society, local people with social experts and government officials).

Mrs. Kim, Director of DWC share lessons learned from applying ABCD in practice

Mr. Hai, IED Alumni, facilitated a group discussion and preparation for presentation.

Mr. Tiep, IFF-Alumni, is sharing his experiences in mobilize people participation

A group discussion and preparation for presentation.
